## TEST CAMP

### INTRALOGISTICS

April 15 – 16, 2026  
Messe Dortmund

**Westfalenhalle**

Messe Dortmund,  
April 15 – 16, 2026  
Booking by:  
while stocks last

### ALL INCLUSIVE

You focus on your exhibits – we take care of the rest: stand construction, highlight tours, catering, hotel recommendations, visitor management, dismantling, and waste disposal. A full-service package at fair prices, with no hidden costs.

### QUALITY LEADS

Quality over quantity: A carefully curated selection of exhibits and individually invited guests ensures content that impresses our visitors and leads that excite our exhibitors. Networking without wasted reach.

### #testcamprocks at Westfalenhalle – only once ...

To mark the 100th anniversary of Dortmund's Westfalenhalle, the TEST CAMP and the IFOY AWARD are moving into the legendary concert hall for a one-time-only edition. In the heart of this world-famous venue, decision-makers, innovators, and tech experts come together – the place to be for anyone looking to shape the future of intralogistics.

# 8

**HIGHLIGHT TOURS**

+

**LIVE DEMOS IN THE ARENA**

No second row. No side stage. This is your time to shine! The guided highlight tours are the main visitor attraction at the CAMP. They offer guests a compact overview and exhibitors effective matchmaking opportunities.

**NEW! Starting in 2026, we will offer product demonstrations in the central test arena.**

# TEST CAMP

## INTRALOGISTICS

### PUT YOUR INNOVATION IN THE SPOTLIGHT: EXHIBIT AT TEST CAMP INTRALOGISTICS!

1,200 participants, around 100 innovations and new developments, renowned speakers at the Logistics & Robotics Conference, exclusive highlight tours, a central test arena for live demos and hands-on testing, as well as dedicated special testing areas – TEST CAMP INTRALOGISTICS brings the future of intralogistics to life. As an exhibitor, you're not just showcasing products – you're creating real experiences. Visitors test your technologies hands-on, make direct connections with your team, and provide valuable feedback. Make sure your products and solutions reach the people who matter – decision-makers, users, and industry insiders with a genuine interest in innovation and investment.

## 4 STEPS TO CAMP

### Step 1: Choose your box\*:

It is the basis for every exhibitor.

### Step 2: Choose your test area:

If you plan to offer test drives or other demo setups, you will need an additional area – or you use the central test arena.

### Step 3: Choose your Setup

**Package:** You can choose between two mandatory options. Additional equipment is available in the shop.

### Step 4: Request a quote or guidance:

[testcamp-intralogistics.com/en/request-quote-test-camp](http://testcamp-intralogistics.com/en/request-quote-test-camp)
